Technical specifications

Product highlights

Black Matrix picture tube
A Black Matrix picture tube improves the contrast of images even when viewing in daylight conditions.

Crystal Clear
Combining picture enhancements like Contrast plus and color improvement, Crystal Clear improves picture depth.

4W Sound Power

Smart Picture and Smart Sound
Philips preset modes for Smart Picture and Smart Sound provide you with direct access via a single key on the remote control. You can select optimized picture and sound settings for the various picture modes such as Eco, Natural, Rich, Multimedia and Personal, and sound modes such as Movie, Voice, Music and Personal. Do refer to the DFU for the various picture and sound smart modes.

Personal Zapping

Wake-Up and Sleep Timer

Front Stereo AV & headphone
Front stereo AV & headphone makes it much more convenient to connect external devices like audio equipment, games and video cameras. It's the easy way to enjoy an extra audio sensation or a totally immersive gaming experience.
